

PORT EVERGLADES SAND BYPASS PROJECT

Community Information Meeting

Date / Time : Wednesday August 17, 2011 at 7 pm

Location : St. Sebastian Parish Hall

2000 SE 25 Ave., Ft. Lauderdale

Broward County is holding an informational meeting regarding ongoing planning for the implementation of a sand bypass program at the Port Everglades Inlet. The County is performing a series of analyses to determine the most efficient and least intrusive way to excavate a sand trap adjacent to the North Jetty.

As part of a public communications process Broward County is hosting this informational meeting for the local community and stakeholders. The purpose of this meeting will be to review the current status of the project and ongoing efforts of determining the best way to construct the sand trap and jetty improvements.

Breakout sessions will include:

- * project overview
- * construction methods
- * signature hole tests
- * environmental protection
