Elements to Consider

- 100' of public right of way
- Must maintain 4 travel lanes
- Minimal median requirements
- Bicycle facilities requirements
- Pedestrian walkways - ADA requirements
- Required left turn lanes
- Adjacent property usages & access
- Necessary safety parameters

Our Goal: To make this a memorable corridor!

Concept A

Section type 1

- On-street bike lane
- Expanded east side multi-use path
- Full-size median
