**Subject:** RE: Galt Ocean Drive and BCT

To All:

I have placed a bus supervisor in the bus layover, effective immediately, to make sure this is implemented properly. I will have supervisors on site all week for both shifts and this should resolve the problem. The layover was closed as of Sunday, 5/6. Sorry for these implementation issues, but the on-site supervision will immediately handle any issues from this point forward.

Thanks, Tim Garling
