

Vice Mayor Heather Moraitis

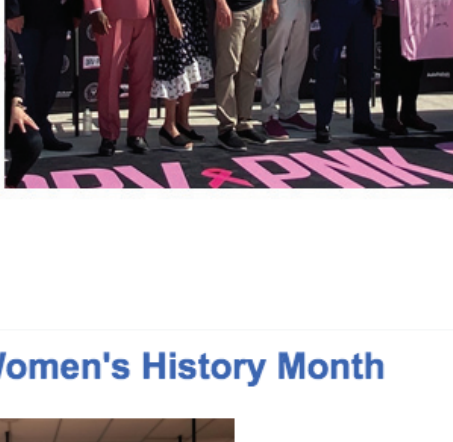

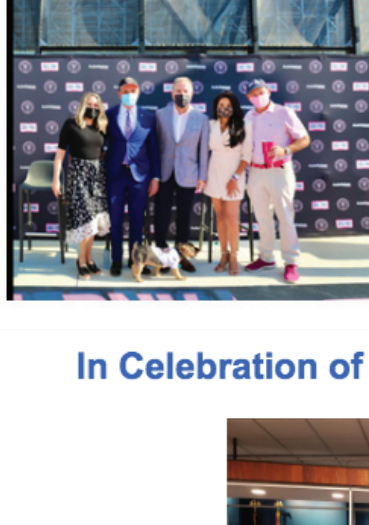

Fort Lauderdale is ready for futbol! Inter Miami CF will play it's first home game in front of fans this Sunday, April 18th at 3:00 pm. Please click on the link below for more information about upcoming games and tickets. We are so excited to be a part of the Inter Miami soccer team family and please join me in cheering them on this season!

It was great to join Mayor Trantalis, Commissioner Sorensen, Commissioner McKinzie, City Manager Lagerbloom, Inter Miami CF managing owner Jorge Mas and Marc Cannon from Auto Nation to unveil the new stadium at Lockhart Park. Inter Miami CF and Auto Nation recently partnered to name the new stadium, **DRV PNK Stadium**, in support of Auto Nation's DRV PNK breast cancer initiative.

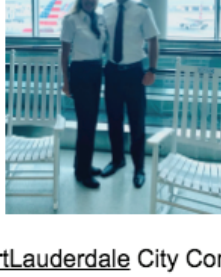

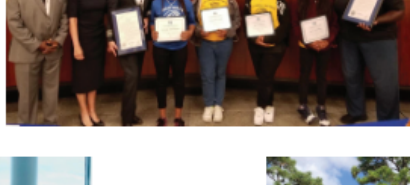

Sincerely,

Heather Moraitis

In Celebration of Women's History Month

The FortLauderdale City Commission issued a proclamation recognizing March 8-14, 2021 as Women of Aviation Worldwide Week (WOAW), which is a global aviation awareness week for girls of all ages to mark the anniversary of Raymonde de Laroche who earned the world's first female pilot license on March 8, 1910.

District 1 resident & professional airline pilot Sharon Curlee and young ladies from the Boys & Girls Clubs of Broward County accepted proclamations at the commission meeting. Fort Lauderdale Executive Airport is participating in WOAW by sponsoring Fly It Forward discovery flights for 20 girls from the Boys and Girls Club of Broward County to promote and inspire girls to succeed in careers within the aviation industry.

Sharon Curlee's early training was at Justice Aviation, located at the Santa Monica Airport in California. There, she received her private pilot license, instrument rating, and commercial rating.

After a brief hiatus from aviation to become a wife and a mother, Sharon resumed her passion for flying in 2015. Upon completing her Commercial multi-engine add on rating at TAKEFLIGHT in Fort Lauderdale, she worked toward the required 1500 hours to be come an airline pilot. Currently, she is an Airline Pilot for Piedmont Airlines, a wholly owned subsidiary of American Airlines. Sharon joined her husband Paul and sons, Tyler and David, in becoming airline pilots.

On March 17, 2021, I joined Patricia Zeiler and moderator Traci Miller at CREW (Commercial Real Estate Women's Program) Fort Lauderdale/Boca Raton. It was an amazing discussion highlighting the accomplishments of the women of Fort Lauderdale in the field of commercial real estate.

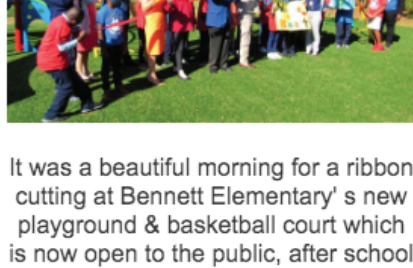

The City Commission was proud to present a proclamation declaring January 21, 2021 as **Cardinal Gibbons High School FTL Football Team Day**. The Football team recently earned the Class 4A State Champions title. Congratulations to the players, coaches, athletic staff, and teachers for an outstanding season.

Congrats to Nothing Bundt Cakes for opening in District 1! Located at 2392 N Federal Highway, Fort Lauderdale, FL.

The City Commission proclaimed March 21, 2021 as Coral Ridge Presbyterian Church 60th Anniversary Day and recognized Westminster Academy on their 50th anniversary during the meeting on March 16, 2021. Representative George Moraitis, Headmaster Joel Satterly and Pastor Rob Pacienza joined me to accept the proclamation.

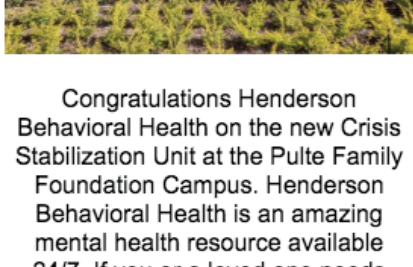

It was a beautiful morning for a ribbon cutting at Bennett Elementary's new playground & basketball court which is now open to the public, after school hours. I am excited to see our city investing in our local schools for students & neighbors!

Construction for the North Beach Restaurants and Shoppes streetscape project is complete and 32nd and 33rd street look beautiful! Go check them out on the Galt!

Patrizia's (3300 NE 32nd Ave) is now open in Fort Lauderdale District 1! This is their first location outside of New York and we are so proud that they chose to be a part of the Galt Ocean Mile North Beach Restaurants and Shoppes family!
