Light up the Galt

The rain could not stop us from kicking off the 4th annual Light up the Galt! Thank you North Beach Restaurants and Shoppes owners and city staff for working with us to plan this event. The beautiful holiday decorations along with the many business owners and residents make this a special area of our city to visit all year long.

Not even the rain could stop us from lighting up the Galt tree!

Santa stopped by to enjoy the festivities!

I was happy to celebrate with my husband George, Chip and Eileen LaMarca, Commissioner Glassman, Scott, Cathy, Fred, and Chief Sciroto.

Thank you Tim for planning a great event and Candace for celebrating from the 33rd Street Wine Bar!

I stopped by Agape Love for a little early Christmas shopping.

This year, I got to meet the great people at the Columbian Mountains Cafe!

My friends at the Gold Star Financial Group and their team had the holiday party spirit in full force when I dropped by.

Congratulations to Denise and her staff at Scola Pasta for being named as 2021's Best Restaurant in Fort Lauderdale Magazine!

One of two amazing bands on 33rd street.

So happy to see Denise and Dianne from Blue Jean Blues!

District 1 neighbors celebrating the Season!

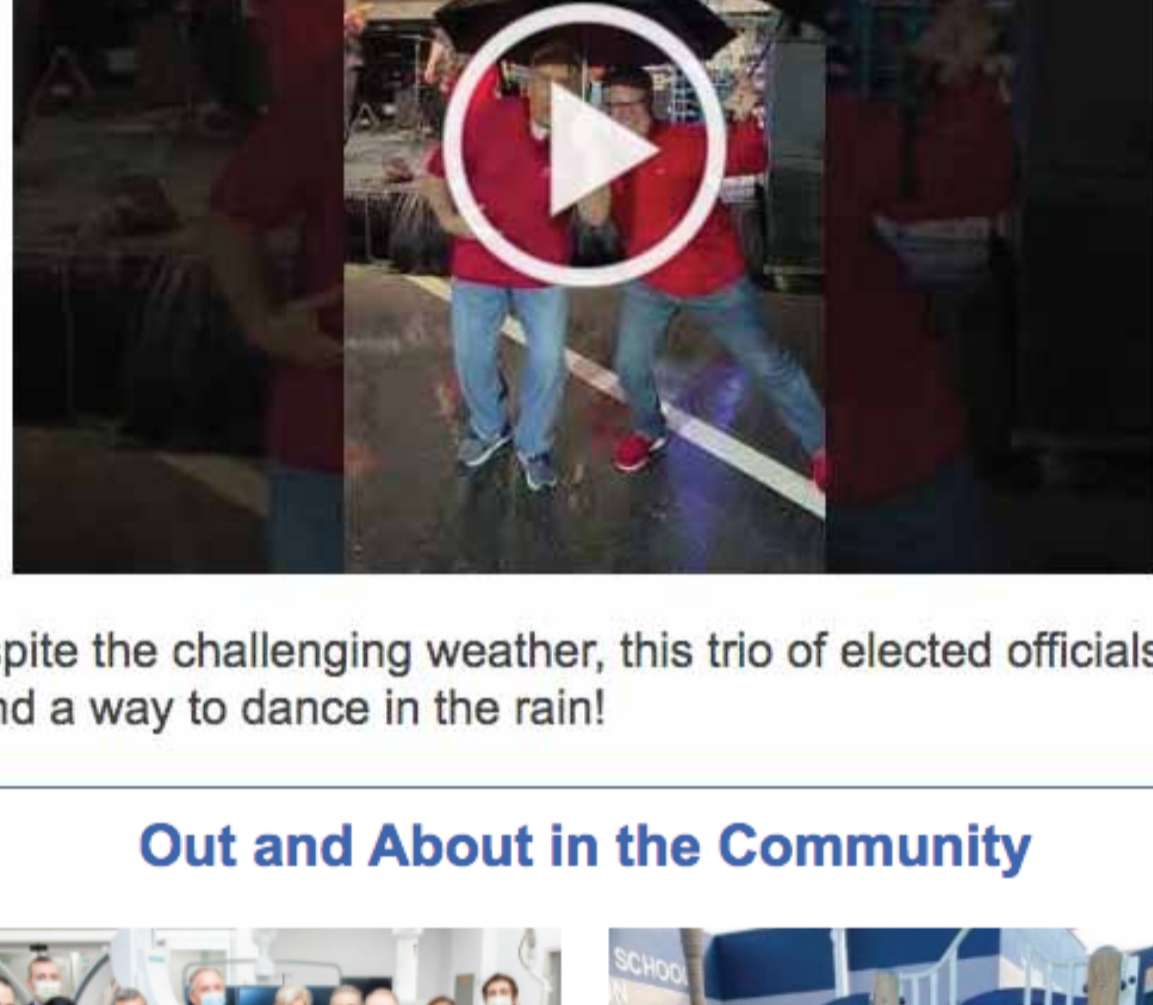

Chief Sciroto and Santa made sure that Representative LaMarca, Commissioner Glassman and I stayed off the naughty list this year!

Our beautiful blue menorah was shining bright.

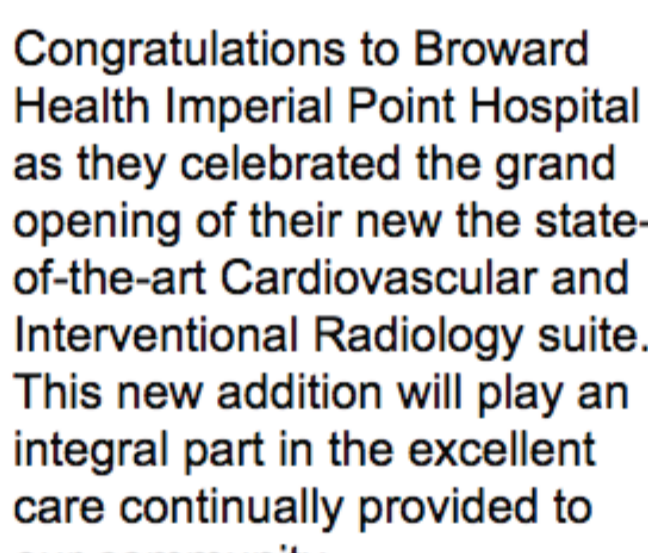

Happy Holidays from the District 1 office!

Despite the challenging weather, this trio of elected officials still found a way to dance in the rain!

Norse Atlantic Airways Announces U.S. Headquarters in Fort Lauderdale

On Thursday, Oct. 21, during the Greater Fort Lauderdale Alliance Annual Meeting, Norse Atlantic Airways announced the establishment of its U.S. Headquarters at Fort Lauderdale Executive Airport (FXE). The company currently has offices in Arendal, Norway and London, U.K. Norse plans to begin direct flights with its fleet of Boeing Dreamliners from Fort Lauderdale/Hollywood International Airport (FLL) to Paris, London, and Oslo in 2022.

Bjorn Tore Larsen, Founder, CEO and major shareholder of Norse Atlantic Airways attended. "As a new, innovative airline planning to offer affordable transatlantic flights and with a strong U.S. focus, a foothold in Florida and Fort Lauderdale will be key to our success. Not only is Fort Lauderdale centrally located but it also has a smart approach to attracting new businesses to the area. In addition, we will have access to great talent that we can recruit to Team Norse's new office and to take care of our customers on board our more environmentally friendly Dreamliner flights," said Larsen.

"The FLL team is excited that Norse Atlantic Airways has chosen to establish its U.S. headquarters in Fort Lauderdale and will add nonstop service to Scandinavia and Europe from FLL next year. The timing is perfect
