### **SPECIAL SESSION- LEGISLATIVE UPDATE**

We had a Special Legislative Session in November and I wanted to provide some updates about what was debated and passed in Tallahassee. The special session was focused on a handful of specific issues:

- Hurricane Idalia Relief
- Guarding against anti-Semitic violence in Florida
- School safety for Jewish Day Schools
- School choice scholarships for students with unique abilities
- Resolving the back log of applications of the My Safe Florida Home Program

All of these issues are extremely important to me and our fellow Floridians. I am also very pleased to see the My Safe Florida Home was a part of the special session because I was proud to sponsor this piece of legislation earlier this year and it is good to see so many people taking advantage of this program that assists Floridians in hardening their homes for storm protection.

I was also proud to be the Co-Sponsor of HR-11 Support for Israel and condemning Hamas with my fellow Representatives. This was a successful Special Session with my fellow Representatives where we were able to come together and make Florida a better place.

Best Wishes,

Representative Chip LaMarca
