FLORIDA HIGHWAY SAFETY AND MOTOR VEHICLES

Our office is committed to helping constituents in any way we can, and we have heard your concerns with the Department of Motor Vehicles. On Wednesday, October 22, from 10 AM – 1 PM, our office is hosting, Florida Licensing On Wheels (FLOW). We are partnering with the Department of Highway Safety and Motor Vehicles and United States Senator Ashley Moody's office, to assist District 100 residents with their driver's license and/or passports. This event will take place at the Emma Lou Olsen Community Center, located at 1801 NE 6th St, Pompano Beach, FL 33060. The link to sign-up is listed below and spots are limited. We can't wait to see you there!

In order for a smooth and efficient process, we require all District 100 residents that sign up, to ensure they have all the proper documentation, required by the Florida Department of Highway Safety and Motor Vehicles to receive a Florida driver's license. The checklist can be found on the FLHSMV website, and the link is included below.
